mdacademy
ITALIAN CAMPUS

MD Academy's mission is to help individuals fulfill their dreams and career ambitions, offering specialized training aimed to introduce new professional figures to the job market since 1999. We are officially accredited by Lombardy, the most financially and industrially advanced region of Italy. Our company's strength lies in our direct relationship with local businesses: we introduce our best candidates to a network of over 800 companies.

AVAILABLE COURSES | check them on our web site

• **Healthcare Operator O.S.S. Certification | 1000 hrs**

Does helping others give you purpose? This program will equip you with all you need to work as a Healthcare Operator in nursing homes, clinics, schools and more.

• **Professional Culinary Arts | 760 hrs**

Do you love experimenting in the kitchen? Italy is a popular tourist destination renowned for its cuisine, and restaurants are always looking to hire.

• **Data Science Software Development | 800 hrs**

Start your career as a full stack developer, app developer, or data scientist today. Make your CV palatable to a wide range of companies.

ADMISSION PRE-REQUISITES

- Be at least 18 years old.
- Have a High School diploma or University degree.
- Basic knowledge of the Italian language (we offer Italian classes).

CHANGE YOUR FUTURE!
